POETRY BY
HEART

Elelephony by Laura Richards

Once there was an elephant,
Who tried to use the telephant.
No! No! I mean an elephone
Who tried to use the telephone.

(Dear me! I am not certain quite
That even now I've got it right.)
Howe'er it was, he got his trunk
Entangled in the telephunk.

The more he tried to get it free,
The louder buzzed the telephee.
(I fear I'd better drop the song
Of elephop and telephong!)

Yr 3 Trip to the Museum of the Home

Sadly we had to cancel this trip due to the train strike. We will reschedule this in the autumn. Parents will be invited again as this is a family gardening project..

Staff Updates

We are very excited to announce the appointment of **Mima as our new Home School Liaison Officer**. She will be allocated ten hours for this role. She will stay in role as a TA for the other working hours. She will meet with parents in the autumn to help develop this new and exciting role.

Transition

The next few weeks are very important for all children as they finish their year in one class and prepare for a change to a new class. Of course the most significant change is for Yr 6 children. They are preparing for transition to secondary school. This is a time of excitement, sadness and anxiety. Please support them by talking to them about change and the emotions that we feel.
